MESSAGE FROM THE ADMINISTRATOR

Dear Parents and Students,

Welcome to Bible Baptist Schools! We consider it a privilege and a blessing to have the opportunity to be a part of your child's education and spiritual growth. We look forward to a school year filled with Christian learning.

Our staff of teachers, who are committed to the Lord and to supporting the Christian home, church, and school in an academic environment, are worthy of your support. All of us at BBS strive to provide an environment that is spiritual, as well as academic so that our students graduate prepared to live a meaningful, Christian life. Our students are nurtured, protected, and prepared through the Word while being taught respect and appreciation for others.

Bible Baptist Schools is a Christ-centered alternative to secular education, and we see ourselves as an extension of, not a replacement for, the Christian home. Therefore, we strive to partner with you that you may see the Lord's blessings in the life of your child. "Train up a child in the way he should go and when he is old he will not depart from it." (Proverbs 22:6)

Guidelines were chosen that we feel best encourage our students to be Christ-like in mind, body, and soul. Please review this book carefully and keep it for future reference.

We look forward to this school year and trust God will richly bless you and your family.

In Christ's service,

Kerry G. Brown,
Pastor

MISSION STATEMENT

The mission of Bible Baptist Schools is to partner with parents in order to equip our students to strengthen their whole lives both academically and spiritually. By adopting high academic standards, a biblical worldview, and a curriculum designed to sharpen critical thinking skills, BBS provides students with the resources and opportunities to develop the skills necessary to accomplish their aspirations and goals. We are committed to creating an environment that is Christ-honoring and conducive to learning so that our students can positively impact the world around them.

Core Values

- Seek Truth
- Serve Christ
- Show Compassion
- Strive for Excellence

We believe Christian education must be:

- Founded upon the Word of God and its principles rather than the personal traditions of men (II Timothy 3:16-17 and Colossians 2:8).
- Centered in the Lord Jesus Christ, Who is the Creator and source of salvation for mankind (John 1:9-12).
- Directed and controlled by the Holy Spirit, Who is able to teach the consenting believer all things (John 14:26).
- Pupil-oriented to achieve the highest academic levels possible to train these young people to fulfill their roles as ambassadors for the Lord Jesus Christ (II Corinthians 5:17-21).
- Applied socially in its content and scope so that young people can learn to serve the Lord Jesus Christ in each of their lives, resulting in a joyful, fulfilled life. (Ephesians 6:18-20 and I John 2:15-17).

We believe that we were all created for the purpose of serving and bringing glory to God. BBS will assist and reinforce this purpose in the academic realm to remain consistent with the Christian home and local New Testament Church.

DOCTRINAL STATEMENT

We believe that the Bible, in its entirety, is supernaturally inspired and completely without error. Preserved by God, the Bible is our authority and standard for doctrine and practice (2 Timothy 3:16, 2 Peter 1:21). We only use the King James Version of the Bible.

We believe that God is One, existing eternally in three persons-Father, Son and Holy Spirit sharing equally in essence, power, glory, and perfection (Genesis 1:1, Matthew 28:19, John 10:30).

We believe that God created man in His image and likeness, but that in Adam's sin and through personal transgression, we are a fallen race, possessive of a sinful nature and separated from God without human remedy (John 3:16-19, John 5:24, Romans 3:23).

We believe that Jesus Christ, without ceasing to be God, became a man, was conceived by the Holy Spirit, born of a virgin, and lived a sinless life (Isaiah 7:14, Matthew 1:23-25, Luke 1:35, Luke 2:10-11, John 1:14).

We believe in the deity of our Lord Jesus Christ, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory (John 1:33, John 2:11, 1 Corinthians 15:3, Revelation 19:11).

We believe that in order to be saved, one must personally trust in Christ and His substitutionary sacrifice for our sins. Salvation comes through faith alone in Jesus Christ and is received entirely apart from works (Romans 10:9-10, 1 Corinthians 15:3, Ephesians 2:8-10, Titus 3:5, John 11:25, Romans 6:4). Baptism is a public confession of that act of faith.

We believe that the salvation of all true believers is kept eternally secure in Jesus Christ (John 10:27-30).

We believe that it should be the goal of every Christian, in dependence upon the indwelling Holy Spirit, to grow in spiritual maturity and holiness, to testify of Christ by life and by work, and to support the work of the Lord through regular prayer, giving, and involvement in a local, Bible-believing church (Malachi 3:8-10, Mark 12:41-44, Luke 18:1, Colossians 1:9-10, Colossians 2:6-8, Colossian 4:2).

We believe in the spiritual unity of believers under the headship of our Lord Jesus Christ (Romans 8:9, 1 Corinthians 12:12-13, Galatians 3:26-28).

ADMISSION REQUIREMENTS

Requirements for Admission

- Completed online application
- Parent interview with administrator
- Registration Fee
- Administrative Billing Fee – Smart Tuition
- Records or transcripts received
- Medical forms as applicable
- Immunization records

*A student is tentatively accepted at Bible Baptist Schools after an interview with the administrator. Final acceptance is contingent upon the result of testing (if needed), receipt of student records, and placement of the student.

Condition for Admission and Re-enrollment

- Students seeking admission to TK must be 5 by June 1st of the current year.
- Students seeking admission to kindergarten must be 5 by September 30th of the current year.
- Students seeking admission to first grade must be 6 by September 30th of the current year.
- No student will be admitted or allowed to remain at Bible Baptist Schools who does not cooperate with our overall purpose, philosophy, and program.
- If a family realizes that they disagree with the philosophy of the school, they are asked to discuss that matter with the appropriate administration. If this issue cannot be resolved, the family will be asked to voluntarily withdraw from the school.
- Students are accepted on a yearly basis. Re-enrollment is based on academic performance and behavior; therefore, re-enrollment is not guaranteed.

We accept students without regard to race, color, or national origin.

Some people tend to falsely think of a Christian school as a hedge against integration or as a reform school for delinquent children. Bible Baptist Schools is neither of these. The avowed purpose of this ministry is to train Christian young people to meet their fullest potential both spiritually and academically.

Withdrawal and Expulsion

Withdrawal from school must be handled through the school office. No grades, credits, or transfer of records will be released until all financial obligations are met.

The administration has the right to withdraw or expel a student from school if he is found to be out of harmony with the rules and policies of the school. Students who are expelled from Bible Baptist Schools will not be considered for re-enrollment until the following semester. The parents and student must meet with the administration before re-enrollment will be considered for the subsequent semester.

The board at Bible Baptist Church and Ministries will serve as the discipline committee for infractions that are severe enough for expulsion to be considered. In such cases, the infraction will be discussed and dealt with anonymously to insure impartiality

FINANCIAL POLICIES

All registration, book and supply fees, and September tuition must be paid by September 1st. All tuition payments are automatically due on the first of each month. A late charge will be added to your account if the account continues unpaid. Students will not be allowed to attend classes if an account becomes delinquent for 30 days.

Bible Baptist Schools is a Christian ministry of Bible Baptist Church, a non-profit corporation. The school does not solicit or accept government funds of any type. We operate strictly from tuition funds to pay operational costs, such as utilities, insurance, and teacher's salaries. When tuition accounts go unpaid, the finances of the school are jeopardized. For the sake of honesty and testimony, the expenses of a Christian school must be paid on time; therefore, it is necessary that fees and tuition be paid when due.

The best educational services can be rendered only if fixed obligations (teacher's salaries, utility bills) can be met by fixed resources. In a private school, these fixed obligations must be met by a legally binding contract with those who desire the services of the school. Hence, it is extremely important that the parents or guardians of prospective students thoroughly study the philosophy and methods of Bible Baptist Schools outlined in this handbook to assure themselves that they are willing to comply with its standards.

We offer three methods of payment:

- Plan one – Annual: Tuition is due September 1st and will receive a 5% discount for paying in full.
- Plan two – 10 Month: Payments begin on or before September 1st and end with June 1st payment.

Other installment plans may be accepted by the financial office as long as arranged prior to the student beginning school. Bible Baptist Schools offers limited scholarship programs when available. **All discounts apply to tuition only and not to school fees.** Payments can be made through our billing company, Smart Tuition. The fact that some months have fewer actual school days does not alter the monthly payments as the installment payments are designed to distribute the total cost over a ten-month period. Days missed in school do not diminish the monthly payments for those services. If a student withdraws, the full monthly payment will be charged for any part of the month attended.

The Registration Fee and Book Fee must be paid in order to complete the enrollment process. No grades, credits, or transfer of records will be released until all financial obligations are met. Graduates will not receive their diploma until all financial obligations are met.

All families are required to have a Smart Tuition account for billing and payments.

ATTENDANCE REQUIREMENTS

In order to gain the most from school, each student must be in regular attendance. Classes will be held Monday through Thursday from 8:15-3:15 for 1st-12th grades. K5 will have the option of a half-day schedule from 8:15-11:45 or a full-day schedule from 8:15-3:15 (see tuition scale). A note or a phone call by the parent or guardian to the school office must follow all absences within 24 hours of the student's return to school or the absence will be considered unexcused.

Parents: Please call the school office before 9:00 a.m. if your child will not be in school. This notification is a precaution to help protect all parties involved and to facilitate our record keeping. If parents would like their child's makeup work available in the school office by 3:15 p.m. a phone call by 9:00 a.m. must be made in order to guarantee time to get the assignments together.

School policy and state law require that students be in school for at least 90% of the days during a semester. **If a student misses more than 15 days per semester for any reason, Bible Baptist Schools reserves the right to not give credit.** After an excused absence, a student should immediately check with the classroom teachers concerning any assignments missed. In the event that work is assigned during the absence, the student will be allowed one day for each day missed to make up those assignments. Assignments announced prior to the absence are due upon either the first day back or the original due date, whichever is later. Work not made up will be recorded as a zero. The student will not be allowed to make up work missed due to an unexcused absence.

For any class or subject that a student misses due to an unexcused tardy or absence, he will not be allowed to make up the missed work for credit. **Any student who misses more than 15 classes per semester for any reason is subject to have to repeat that class for credit.** If a student is absent for more than 10 minutes of a class, he is counted absent for that class period.

TARDINESS

Tardiness is extremely disruptive to the operation of school and has an adverse effect on your child's educational progress. Chronic tardiness is unacceptable.

Tardiness: Any student who is not in his assigned seat at 8:15AM when the bell rings is considered tardy. When a student is tardy, he must sign in at the school office before going to class. Every five tardies will be counted as one day absent.

Tardies will be determined to be excused or unexcused by the school office based on the following reasons:

- Student's doctor's appointment
- Student's sickness
- Death in the immediate family

Note: A student is only allowed 15 days absent per semester for any reason. Absences past fifteen days will result in the student having to make time up in summer school.

Note: Sickness must be verified with a note from parent. If chronic sickness persists, a doctor's excuse may be required.

Note: If student arrives without a note for being tardy, it will be unexcused.

ABSENCES

Any student who arrives at school after twelve noon will be counted absent for the day. If he/she arrives before noon, but after 10:00 a.m., he/she will be counted half-day absent. Students must be in school by 10:00 a.m. to get a full-day credit. Students must attend classes for three hours to be counted as present for half a day of school. If the student is leaving school early or arriving late, he must be in school for five hours to be counted present for the day. In other words, the number of hours he is present will determine whether he is marked as present half a day or absent for the day.

Excused Absences

Excused absences are those that are caused by illness of the student, death in the family, student doctor's appointment, or for other similar reasons considered appropriate by the administration. **Planned absences, such as trips, may be excused if requested in advance by the parent or legal guardian to the school office. These absences are still counted toward the fifteen allowed.**

Unexcused Absences

If a student is absent for any reason, other than those mentioned above, the absence is unexcused and the student receives a grade of zero ("0") on all missed class work, including quizzes and tests. Each day a student is suspended is unexcused.

Personal Days

The BBS school calendar includes many holidays as well as Spring Break. Parents are asked to schedule family vacations during these breaks so that students do not miss important class time. Parents and students are also asked not to extend existing school holidays and breaks.

Up to **four (4)** days for personal family trips may be taken **per school year**. Personal days may not be taken during the last 5 days of school of the first semester or the last 10 days of the second semester without special approval. No half days are approved.

These days do count as absences. Families are asked to inform the BBS administration at least one week prior to missing school for such a trip in order for the absence to be excused. Students are to collect work from teachers prior to leaving and turn this work in prior to leaving or immediately upon their return. Tests or quizzes missed during a planned absence are to be taken upon the student's return to school unless prior arrangements have been made with the child's teacher.

If a student is absent from school, he will not be allowed to participate in after school activities such as field trips, sports events, and EFL.

MAKE-UP WORK

After an absence, a student should immediately check with the classroom teachers concerning the assignments missed. In the event that work is assigned during the absence, the student will be allowed one day for each day missed to make up those assignments. Assignments announced prior to the absence are due upon either the first day back or the original due date, whichever is later. Work not made up will be recorded as a zero. **The student will not be allowed to make up work missed due to an unexcused absence.**

STUDENT CONDUCT

It is our goal to encourage students to behave in a Christ-like manner. The behavior of your student is expected to reflect the high ideals and beliefs of the Word of God. Any student refusing to behave or cooperate spiritually, morally, or scholastically is subject to dismissal.

Disorderly conduct (horseplay, disruptive talking) is not conducive to either good Christian character or to an academic atmosphere and will not be allowed. Students are expected to respond positively to voiced instruction and correction.

In Bible Baptist Schools, these four fundamental guidelines must be followed:

- No student is to be out of his seat without permission.
- No student is to speak out in class without permission.
- A student should always address and reply to the school staff with the utmost respect.
- A student is to follow instructions.

A student failing to follow these basic guidelines will be subject to disciplinary action.

Bible Baptist Schools expects full cooperation from both student and parent in the education of the student. When the school feels that student/parent cooperation is lacking, the student may be requested to transfer out. Also, if the behavior of the student indicates a non-cooperative spirit, he may be requested to transfer.

Discipline

Disciplinary problems in kindergarten through twelfth grade will be maintained by the teacher but may also be corrected through our demerit system. If a pattern of misbehavior occurs, the student will be sent to the principal.

Please keep in mind attending Bible Baptist Schools is a privilege and not a right. Should a student violate what we consider to be common Christian rules of etiquette, we reserve the right to deal with the student as we see fit.

DETENTION, SUSPENSION AND EXPULSION

Detention

Detention will be served during lunch period on a needed basis. Students will take their lunch to the detention room and will sit in silence and eat for half the period and write sentences or stand for the second half.

When a student has accrued in one semester:

- **25 Demerits:** There will be a letter sent home that must be signed by the parent/guardian
- **50 Demerits:** Parent, teacher, and principal conference- one-day suspension
- **75 Demerits:** Parent, teacher, and principal conference- two-day suspension
- **100 Demerits:** Parent, teacher, and principal conference- three-day suspension
- **125 Demerits:** Expulsion from school

Suspended Students

A parent teacher meeting will occur after the student receives his demerits, and suspension will begin the following day.

Expelled Students

An expelled student leaves with his earned grades for the current semester and is able to return to Bible Baptist Schools only after requesting and receiving the permission from the administrative committee.

Expelled/ Suspended Students

If a student is suspended or expelled, he is not allowed on campus. He may not attend any school-sponsored activity including athletic events. Any work missed during a suspension period may not be made up. A zero (“0”) will be assigned for each missed assignment.

DEMERIT SYSTEM

The primary purpose for the demerit system is to have a method of documenting unfavorable behavior patterns or character traits in the students. The demerits, in themselves, are not a form of punishment. The demerit is calling attention to an undisciplined area in the life of the student. Hopefully, this will cause the student to be introspective and, out of a desire to be all he can be for the Lord, discipline himself to overcome this “problem”.

Every student is encouraged to develop strong Christian character. For this reason, a firm but reasonable and just system of discipline is maintained. This may be in the form of demerits, restriction from certain privileges, suspension from school, or expulsion. Teachers and staff members may issue demerits anytime there is an infraction of the rules. The number of demerit amounts is based upon repeat offenses and severity of the offense.

Technology and Media Guidelines

We recognize that electronic devices are an increasing part of everyday life and can be used equally in a positive or in a negative way. Therefore, we must strike a balance between providing opportunities for technological training and providing regulations for control and security. These rules are intended to help our students make use of technology in a safe, secure, and wholesome way.

Honor Roll

There are two categories on our honor roll: “A” Honor roll for students with all A’s and “A/B” Honor Roll for those students receiving all A’s and B’s on report card.

Homework

Homework is a part of Bible Baptist Schools’ academic program. It should always be done neatly, accurately, and on time. Homework should never be considered “unnecessary work.” Assignments can always be viewed on the Gradelink program. Homework may be assigned on a Wednesday that is due the next day to prepare students for their quizzes/tests.

Textbooks and Equipment

It is the student’s responsibility to properly take care of the books and equipment that is used for instruction at Bible Baptist Schools. A student will have to pay for lost or damaged books or equipment.

Field Trips

Occasionally, field trips may be taken to places of special interest. A student is required to maintain the same level of self-discipline away from the school as is required at school. Parents who chaperone will be asked to abide by school dress code. **Students are required to go on all field trips that relate to their class.** In signing the Field Trip Permission form, it is recognized that permission has been given for your student to attend any school-sponsored, off-campus activities. Parents will be informed of all field trips.

Parent Volunteers

Parents are encouraged to be contact the school office if they are interested in volunteering. This is a way to encourage our teachers by volunteering time and services during the school day. Parent volunteers are asked to check in through the office and abide by the dress code. All volunteers must be scheduled through

the school office.

TRANSPORTATION

Student Drivers

A student who drives to school must have a valid California Driver's License and sufficient insurance coverage. A copy of this information must be on file in the office. Once a vehicle is parked in the morning, a student cannot return to it without permission. Under no circumstances will students be allowed to occupy cars during school hours.

Students must submit a written consent from parent to transport other students of the same sex of Bible Baptist Schools other than their family members.

Students are not permitted to leave school grounds during regular school hours without permission from a parent. When a student is given permission to leave, he must sign out with the office when leaving and sign in when returning. Students are not allowed to leave campus for lunch. This restriction is in keeping with our closed-campus policy.

Pick-Up/Drop-Off Procedures

No student should arrive or be dropped off before 7:50 a.m.

Students dropped off between 7:50 a.m. and 8:10 a.m. should report to the auditorium and will be escorted to class by their teacher to the classroom. Students may not enter the classroom until escorted by their teacher. Between 8:10-8:15 a.m., students may be dropped off at the classroom.

Any student arriving after 8:20 a.m. must sign in at the front office desk. The doors are locked at 8:15 a.m. to ensure the safety of our students. All visitors should check in at the office.

School is dismissed at 3:15 p.m. Parents are asked to be prompt in picking up their children. If there is a delay in picking up your child, please contact the school office.

A \$10 late fee applies at 3:30 p.m. and children will be automatically enrolled in the after-school program. Please be advised that parents will be charged for the day.

After-School Program

Students may be enrolled in the after-school program from 3:15 - 4:30 p.m. and may choose two different rates - weekly rate or daily rate. The weekly rate (care for all 4 days) is \$37.50 per week for the family's first child with an additional \$8 per week

for each additional sibling; the daily rate (care for 1-4 days a week) is \$12.50 per day for the family's first child with an additional \$4.00 each day for every additional sibling.

The after-school program closes at 4:30 p.m. Late fees will be applied if students are not signed out by 4:30 p.m. At 4:31 p.m. a \$25 late fee will be applied per family. An additional \$1 per child will be added every minute until signed out.

After-school program is provided to those enrolled in it. If you are not taking advantage of the after-school program, please be prompt in signing out your student.

Please note: In the interest of safety, the school will not allow a student to be released to anyone other than the parent unless arrangements have been made ahead of time. If you will be having someone else pick up your student occasionally, or regularly, you must notify the school office. We reserve the right to ask for identification.

Parent's Procedures during School Hours

Parents coming during class time to pick up their student must report to the school office and not to the student's classroom. If a student must leave early, he is to bring a written note stating the reason from the parent in the morning and give it to the teacher. The parent of the student leaving early must check the student out through the school office.

In accordance with our closed campus policy, we ask that non-volunteer family members refrain from accessing the school playgrounds and classrooms during school hours. We ask that parents direct all inquiries to the school office in order to eliminate classroom distractions.

If lunches, homework, books, or other items are left at home, they may be delivered to the school office to be given to your student.

EMERGENCY CLOSINGS AND DELAYS

In the event of inclement weather, please monitor television stations for potential school closing or delayed start. Our school generally will follow the same closings as the Marysville Unified School District. Please do not call the school offices during weather emergencies. If school is cancelled while in session, you will be notified by our ALL CALL system, or a telephone call from your child.

MISCELLANEOUS INFORMATION

Fund-Raising Promotions

The present tuition rates of Bible Baptist Schools are based on the acknowledgment that our families will cooperate in all fund-raising promotions. All students are requested to participate in these sales so that maximum school spirit may be maintained. If a student does not participate in the fundraiser, he is still responsible to pay the full amount of the individual goal set by the school. For example, if the goal is to sell \$200 worth of candy bars, then \$200 is due per student regardless if they sell candy bars or not. Your cooperation is greatly appreciated and helps us to maintain a high standard of education.

Lunch

Students in grades one through twelve may bring their lunch from home, or they may purchase a school lunch. School lunches may be purchased from the school office and will be billed to the student's account. Kindergarten students staying for the Full Day program should bring a lunch from home.

If outside food services (Doordash/Grubhub ect.) are needed for lunch, deliveries must be given to the school office. Food deliveries must arrive before or during the lunch period.

HANDBOOK DISCLAIMER

This student handbook should not be considered an exhaustive compilation of school rules but a general guideline of our philosophy and procedures. The administration reserves the right to amend this handbook whenever necessary. Additional instructions may be announced at any time.
